

CDL Refresher Course

Comprehensive Course, Big Impact.

The SAFER Driver™ Training Program was developed for all fleet drivers to reduce collisions, minimize insurance costs, and help employees become SAFER Drivers. NTSI Fleet is your partner of choice with our customizable programs that have been proven to bring about long-term positive change in employee responsibility. NTSI Fleet bolsters your safety culture which results in reduced claims, minimized property loss, and limited liability for your organization.

The CDL Refresher Course

Our CDL Refresher Course is flexible for all types of commercial drivers and vehicles. With our unique behavior modification formula Values + Attitudes = Behavior, this course allows participants to discover their driving attitude and the effect it has on the actions on the highway so they can make positive changes. In addition, Vehicle Safety Inspections and Federal Commercial Vehicle requirements are reviewed.

What is it?

- » An online, classroom, or in-vehicle course which covers driver needs.
- » The online format offers defensive driving strategies, reviews common driving risks, and offers risk reduction strategies for safe driving.
- » The classroom format provides a comprehensive course guided by a 20 page, interactive Participant Guide, and a driver “risk assessment” tool administered at course initiation.
- » The classroom course can be combined with other in-vehicle driving courses, and the 4-hour classroom training is followed by an in-vehicle driving activity.
- » All participants will develop an individual action plan to reduce individual risk.
