

Van & High Profile Vehicle Defensive Driver Training Program

Comprehensive Course, Big Impact.

The SAFER Driver™ Training Program was developed for all fleet drivers to reduce collisions, minimize insurance costs, and assist employees in becoming SAFER Drivers. NTSI Fleet is your partner of choice with our customizable programs that have been proven effective to bring about long-term positive change in employee responsibility. NTSI Fleet bolsters your safety culture which results in reduced claims, minimized property loss, and limited liability for your organization.

NTSI Fleet Provides Training to Van and High Profile Vehicle Drivers

The goal of the Van and High Profile Vehicle Defensive Driver Training Program is to introduce fleet drivers to the dangers of operating a van or high profile vehicle. Fleet drivers who operate vans or high profile vehicles are encouraged to complete this thought provoking training module as part of the SAFER Driver™ Training Program. Each participant will receive a certificate of completion.

What is it?

- » Trains fleet drivers to be safe and responsible van and high profile vehicle drivers
- » Educates fleet drivers about the hazards of driving a van or high profile vehicles and provides solutions to these dangers
- » Emphasizes the importance of pre-trip inspections and constant vigilance
- » Introduces fleet drivers to the dynamics of van and high profile vehicle operation
- » Available in online, classroom, on-site delivery, or train-the-trainer formats
